

§ 537.110

§ 537.110 Records and reports.

(a) Each agency must keep a record of each determination to provide student loan repayment benefits under this part and make such records available for review upon request by OPM. Such a record may be destroyed when 3 years have elapsed since the end of the service period specified in the employee's service agreement unless any dispute has arisen regarding the agreement. If the service agreement has not been fulfilled, there are other disputes regarding the agreement or the loan payouts, or the agreement has become the subject of litigation, the records should be kept until the agency is notified by agency counsel that all pending claims have been resolved, all litigation concluded, and any applicable periods for seeking further review has elapsed and, in any event, for a minimum of 6 years from the date the facts giving rise to the dispute occurred. If debt collection is pursued against the employee for repayments made by the agency, the agency must keep the records until the agency is notified by agency counsel that the debt is fully collected, compromised, or settled finally and that any applicable period for seeking further review has elapsed.

(b) By March 31st of each year, each agency must submit a written report to OPM containing information about student loan repayment benefits it provided to employees during the previous calendar year. Each report must include the following information:

(1) The number of employees who received student loan repayment benefits;

(2) The job classifications of the employees who received student loan repayment benefits; and

(3) The cost to the Federal Government of providing student loan repayment benefits.
